1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2017 together with the declaration of the directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's 2017 Annual Report to Shareholders unless specifically requested to do so. The Company's 2017 Annual Report is available on its website at www.victorymines.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting Consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

You **do not** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***you must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy

You **do not** need to direct your proxy how to vote on this Resolution, and you **do not** need to mark any further acknowledgement on the Proxy Form.

3. RESOLUTION 2 – RE-ELECTION OF DR JAMES ELLINGFORD

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Clause 11.1 of the Constitution provides that:

- (a) at the Company's annual general meeting in every year, one-third of the Directors for the time being, or if their number is not 3 or a multiple of 3, then the number nearest one-third, and any other Director not in such one-third who has held office for 3 years or more (except the Managing Director) must retire from office;
- (b) a Director who retires by rotation under clause 11.1 of the Constitution is eligible for re-election; and

The Company currently has three Directors subject to rotation and accordingly one must retire.

Pursuant to Resolution 2, James Ellingford is retiring by rotation under Clause 11.1 of the Constitution and being eligible for re-election, offers himself for re-election at the Meeting.

Details regarding James Ellingford are set out in the 2017 Annual Report. The Board considers James Ellingford to be an independent director.

3.2 Qualifications and other material directorships

Dr Ellingford's professional life culminated in being President of an international publicly listed billion dollar business with its headquarters in Geneva, Switzerland and New York, USA. He has vast experience in the international arena and has successfully developed close ties with both financial institutions as well as governments throughout the world.

Dr Ellingford holds a Post Graduate in Corporate Management, a Masters in Business Administration as well as a Doctorate in Management. Dr Ellingford also lectures MBA students in Corporate Governance at a leading Sydney University and has a keen interest in ethics and governance.

Dr Ellingford was appointed as a Director on 8 November 2011 and also a director of ASX listed companies Elysium Resources Limited, Creso Pharma Limited and Manalfo Limited.

The Directors, other than James Ellingford, recommend the re-election of James Ellingford.

4. RESOLUTIONS 3, 4, & 5 – APPROVAL OF ISSUE OF SHARES AND OPTIONS TO RELATED PARTIES

4.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue:

- 250,000 Shares and 500,000 Options to James Ellingford (or his nominee);

4.2 Sections 210 to 216 of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

The grant of the Related Party Securities constitutes giving a financial benefit and Messrs Ellingford and Peebles are related parties of the Company by virtue of being Directors (**Related Parties**).

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of the Related Party Securities to the Related Parties.

4.3 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in respect of the proposed issue of the Related Party Securities:

- (a) the related parties to whom a financial benefit will be given are James Ellingford and Peter Peebles, who are related parties by virtue of being Directors;

- (c) the Related Party Securities will be issued to the Related Parties no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated that the Related Party Securities will be issued on one date;

- (d) the Related Party Securities will be issued for nil cash consideration, and accordingly no funds will be raised;
- (e) the terms and condition of the Options are set out in Schedule 2;
- (f) the value of the Options and the pricing methodology is set out in Schedule 3;
- (g) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;

- (o) the Board has considered Principle 8 of The Corporate Governance Principles and Recommendations with 2013 Amendments (3rd Edition) as published by The ASX Corporate Governance Council when agreeing, subject to Shareholder approval, the grant of the Related Party Securities to the Related Parties. The Board considers the issue of Related Party Securities to James Ellingford and Peter Peebles reasonable in the circumstances and does not conflict with their obligation to bring independent judgement to matters before the Board;
- (p) the primary purpose of the issue of the Related Party Securities to James Ellingford, Peter Peebles and Terence Clee is to preserve cash reserves while providing an incentive for future performance in their roles as Directors;
- (q) James Ellingford declines to make a recommendation to Shareholders in relation to Resolution 3 due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued Related Party Securities in the Company, should Resolution 3 be passed. The directors, other than James Ellingford, recommend that Shareholders vote in favour of Resolution 3 for the following reasons:
- (i) the issue of the Related Party Securities to the Related Party will align the interests of the Related Parties with those of Shareholders;
 - (ii) the issue of the Related Party Securities is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would

- if alternative cash forms of remuneration were given to the Related Parties; and
- (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Securities upon the terms proposed;
- (r) Peter Peebles declines to make a recommendation to Shareholders in relation to Resolution 4 due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued Related Party Securities in the Company, should Resolution 4 be passed. The directors, other than Peter Peebles, recommend that Shareholders vote in favour of Resolutions 4 for the following reasons:
- (i) the issue of the Related Party Securities to the Related Party will align the interests of the Related Parties with those of Shareholders;
 - (ii) the issue of the Related Party Securities is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Securities upon the terms proposed;
- (s) Terence Clee declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued Related Party Securities in the Company, should Resolution 5 be passed. The directors, other than Terence Clee, recommend that Shareholders vote in favour of Resolution 5 for the following reasons:
- (i) the issue of the Related Party Securities to the Related Party will align the interests of the Related Parties with those of Shareholders;
 - (ii) the issue of the Related Party Securities is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Securities upon the terms proposed;
- (t) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Shares and Options to be granted as well as the exercise price and expiry date of those Options; and
- (u) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 3, 4 and 5.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Securities to the Related Parties as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Securities to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

5. RESOLUTION 6 – RATIFICATION OF PRIOR ISSUE OF SHARES

5.1 General

On 4 August 2017 and 21 August 2017, the Company issued 10,000,000 Shares and 10,000,000 Shares respectively, being the total consideration for the acquisition of the Bonaparte Project in Western Australian.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.3 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 20,000,000 Shares were issued to the Vendors;
- (b) The Shares were issued to the Vendors as consideration for the Bonaparte Project;
- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued to the Vendors, neither of which is a related party of the Company; and
- (e) no funds were raised from this issue.

7. RESOLUTION 8 – APPROVAL OF 10% PLACEMENT FACILITY

7.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued ordinary share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the eligible entity's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$2,168,281 (based on the number of Shares on issue and the closing price of Shares on the ASX on 29 September 2017).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has two classes of quoted Equity Securities on issue, being the Shares (ASX Code: VIC) and Options (ASX Code: VICOA).

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of this Resolution for it to be passed.

If Shareholders approve this Resolution, the exact number of Equity Securities which may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

7.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 7.2(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the number of Equity Securities on issue as at 6 October 2017 and the issue price of \$0.00375 which is the lowest price at which the Placement can be conducted at.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Variable "A" in formula in Listing Rule 7.1A.2		Issue Price		
		\$0.001875 50% decrease in issue price	\$0.00375 issue price	\$0.0075 100% increase in issue price
Current Variable "A" 433,656,247 shares	10% voting dilution	43,365,624 shares	43,365,624 shares	43,365,624 shares
	Funds raised	\$81,310	\$162,621	\$325,242
50% Increase in current Variable "A" 650,484,370 shares	10% voting dilution	65,048,437 shares	65,048,437 shares	65,048,437 shares
	Funds raised	\$121,965	\$243,931	\$487,863
100% Increase in current Variable "A" 867,312,494 Shares	10% voting dilution	86,731,249 shares	86,731,249 shares	86,731,249 shares
	Funds raised	\$162,621	\$325,242	\$650,484

The table has been prepared on the following assumptions:

1. There are currently 433,656,247 Shares on issue comprising
2. The issue price set out above is \$0.00375 which is the lowest price at which the Placement can be conducted at.
2. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
3. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised towards an acquisition of new assets or investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets and/or general working capital; or
- (ii) as non-cash consideration for the acquisition of new assets and investments in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 25 November 2016 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 25 November 2016 the Company otherwise issued a total of 396,352,703 Shares and 218,459,157 Options which represents approximately 951% of the total diluted number of Equity Securities on issue in the Company on 25 November 2016, which was 41,670,210.

12. RESOLUTION 13 – PLACEMENT OF SHARES

12.1 General

This Resolution seeks Shareholder approval for the issue of that number of Shares which, when multiplied by the issued price, will raise up to \$2,500,000 (**Placement**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of this Resolution will be to allow the Company to issue the Shares pursuant to the Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% placement capacity.

The purpose of this Placement will primarily be to fund activities at the Company's Bolivian Projects.

Exploration activities planned by the Company have taken longer to commence than anticipated and accordingly exploration expenditure has been delayed. However, in the September 2017 quarter, the Company has spent approximately \$340k on exploration activities.

Expenditure is expected to increase as results of the current exploration program in Bolivia are received and the Company commences the planned feasibility study.

The Company is currently undertaking a drilling and sampling program in Bolivia (1,128 samples from 137 drill holes) and is confident this work will generate sufficient information to enable estimation of volume and tonnage of each of the tailings areas and the content of tin, silver and other valuable metals, such as tantalum, throughout the deposits. Results are expected in December.

As announced on 16 August 2017, once the feasibility study has been finalised, it is expected that the Company will then finalise its environmental study and social study and, as such, be able to complete the requirements to enter into a production contract with COMIBOL. The environmental and social studies are expected to take six to nine months. It is expected that the production contract with the Company will be passed by the Bolivian Government within eighteen months from completion of drilling.

In addition, the Company intends to allocate Placement funds to further exploration of its recently acquired Laverton and Bonaparte Projects. As announced 18 September 2017, this includes a gravity survey at Bonaparte in November (weather permitting) followed by a drilling campaign (subject to results).

The Board believes it is prudent of the Company to seek to raise funds for its activities to cover a budgeted period of 12 to 24 months.

12.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Placement:

- (i) the maximum number of Shares to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$2,500,000;
- (ii) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur progressively;
- (iii) the issue price will be not less than 80% of the average market price for Shares calculated over the 5 days on which sales in the Shares were recorded before the date on which the issue is made or, if there is a prospectus, over the last 5 days on which sales in the securities were recorded before the date the prospectus is signed;
- (iv) the persons to whom, the Shares will be issued are not, as yet, identifiable, but will be subscribers to be identified by the Company and any brokers appointed by the Company to manage the Placement. The persons will not be related parties of the Company;
- (v) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and

- (vi) the Company intends to use the funds raised from the Placement per the following table. The majority of funds will be directed to exploration activities and existing funds used for working capital.

Use of Funds	\$
Bolivian exploration operations, including feasibility study	1,500,000
Laverton exploration expenditure	50,000
Bonaparte exploration expenditure	400,000
Evaluation of additional exploration acquisition opportunities	2000,000
Working capital	350,000
Total	2,500,000

12.3 Voting Dilution

Any issue of Shares under the Placement will dilute the interests of Shareholders who do not receive any Shares under the Placement.

The volume weighted average price (**VWAP**) for Shares on the 5 days on which sales in Shares were recorded before 6 October 2017 was \$0.0057 (0.57 cents). The lowest issue price (i.e. maximum discount) of not less than 80% of this volume weighted average price would be \$0.0045 (0.45 cents) per Share.

Accordingly, set out below is a worked example of the number of Shares that may be issued under the Resolution based on an assumed issue price of \$0.0057 (being the Share price as at 29 September 2017), and \$0.0045 and \$0.0051 (being 80% and 90% of the VWAP for Shares on the 5 days on which sales in Shares were recorded before 6 October 2017, respectively).

Assumed issue price	Maximum number of Shares which the Company could issue (rounded up to the nearest whole number) pursuant to this Resolution	Current Shares on issue as at the date of this Notice	Increased number of Shares on issue assuming the Company issued the maximum amount pursuant to this Resolution	Dilution effect on existing Shareholders
\$0.0057	438,596,491	433,656,247	872,252,738	101%
\$0.0051	490,196,078	433,656,247	923,852,325	113%
\$0.0045	555,555,555	433,656,247	989,211,802	128%

The table above uses the following assumptions:

- The total number of Shares on issue is 433,656,247
- The Company issues the maximum possible number of Shares under the Placement.
- Figures have been rounded up to the nearest whole number.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Assuming no Options are exercised or other Shares are issued and the maximum number of Shares as set out in the worked example above are issued, the number of Shares on issue would increase from 433,656,247 (being the number of Shares on issue as at the date of this Notice) to 989,211,802 and the shareholding of existing Shareholders would be diluted by 128%.

The Company notes that the above workings are examples only and the actual issue price may differ. This will result in the maximum number of Shares to be issued and the dilution percentage to also differ.

12.4 Directors' Recommendation

None of the Directors have a material personal interest in the subject matter of this Resolution. The Board recommends that Shareholders vote in favour of this Resolution as it will enable the Company to fund its ongoing operations and commitments.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting on the date and at the place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the proxy form enclosed and either:

- (a) send the Proxy Form by post to Victory Mines Limited, GPO Box 2517, Perth WA 6831;

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes each proxy may exercise, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all 'directed' proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Instructions for Completing "Appointment of Proxy" Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) send the Proxy Form by post to Victory Mines Limited, GPO Box 2517, PERTH WA 6831;
